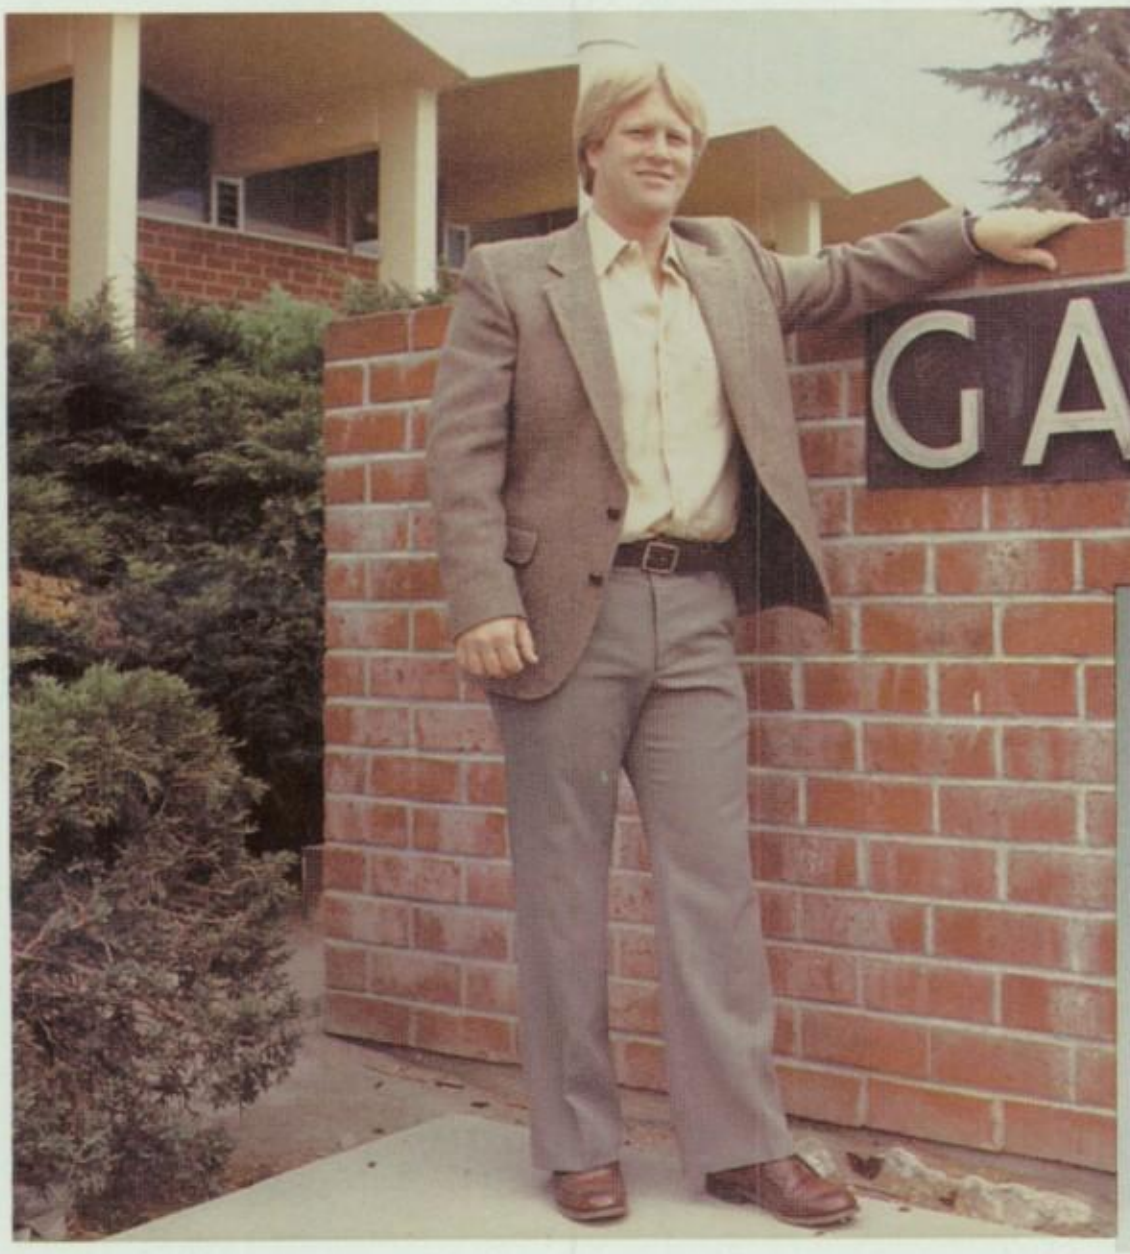
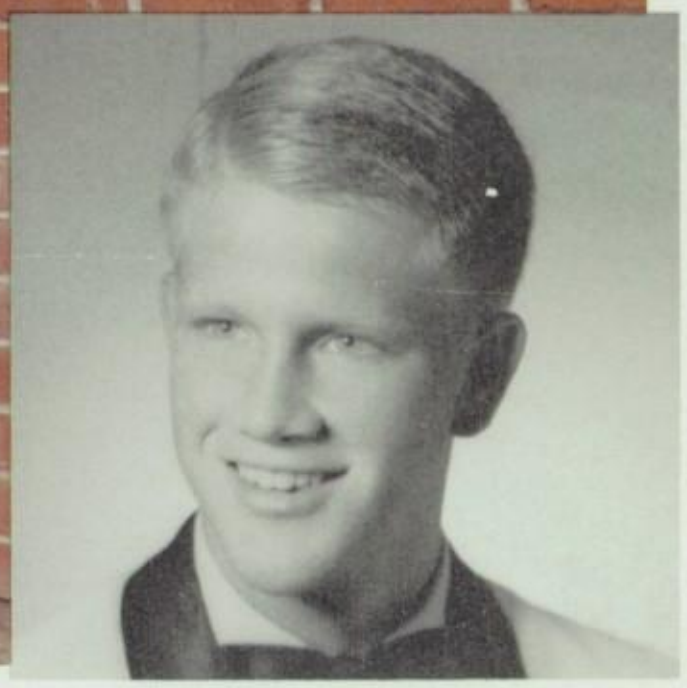
Hello Karen!

DEDICATION TO MR. DON RIZZI

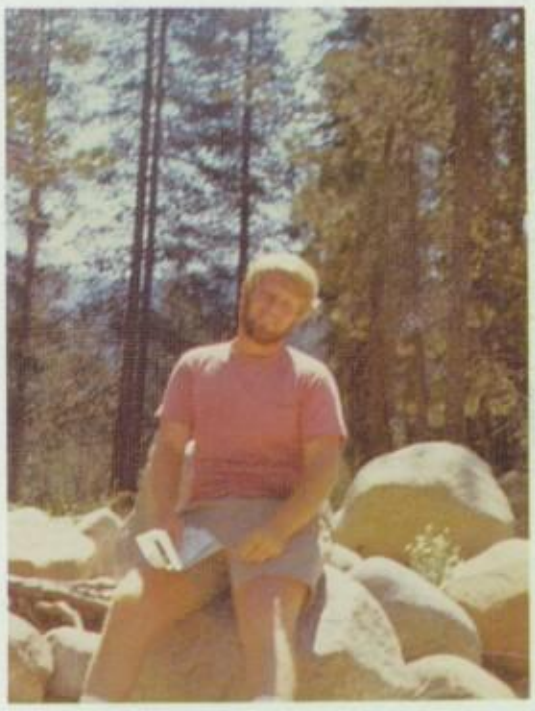




You're someone we can talk to,
When the world is caving in.
You're always there to lend a hand,
We're proud to call you "friend."

We admire and respect you,
For within our hearts we know,
That through the years you've helped us,
In time you've seen us grow.

Now from our hearts,
We look with pride,
We had so much to win.
And thanks to you,
And others, too,
Our new lives will begin.



DO YOU REMEMBER . . .

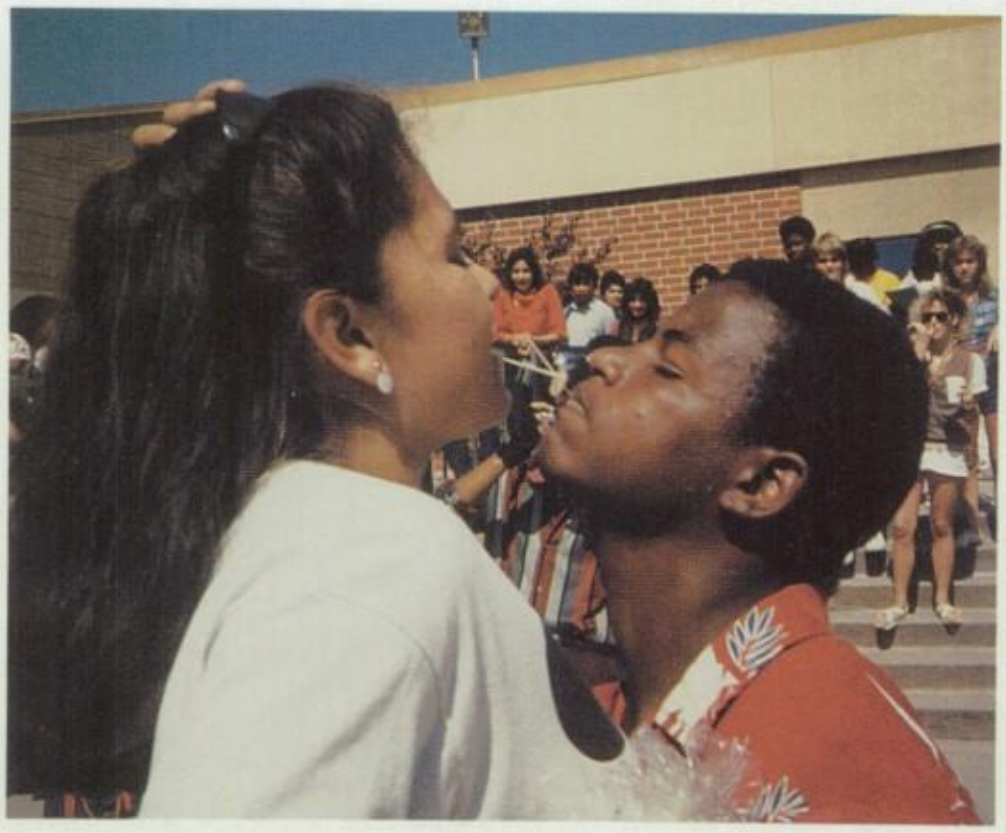
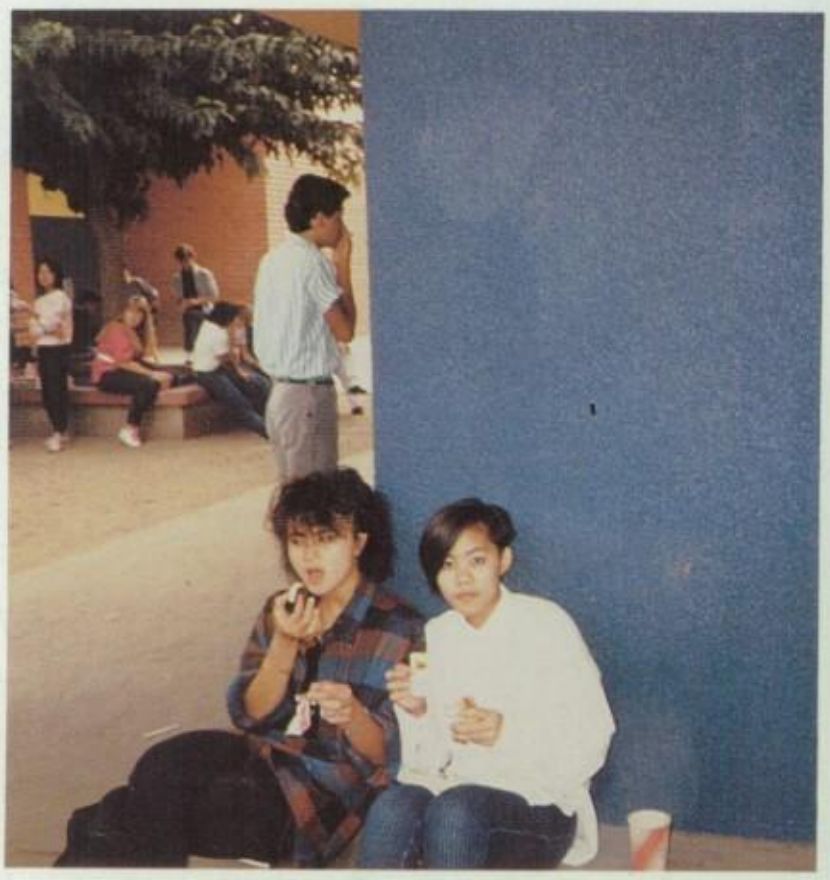
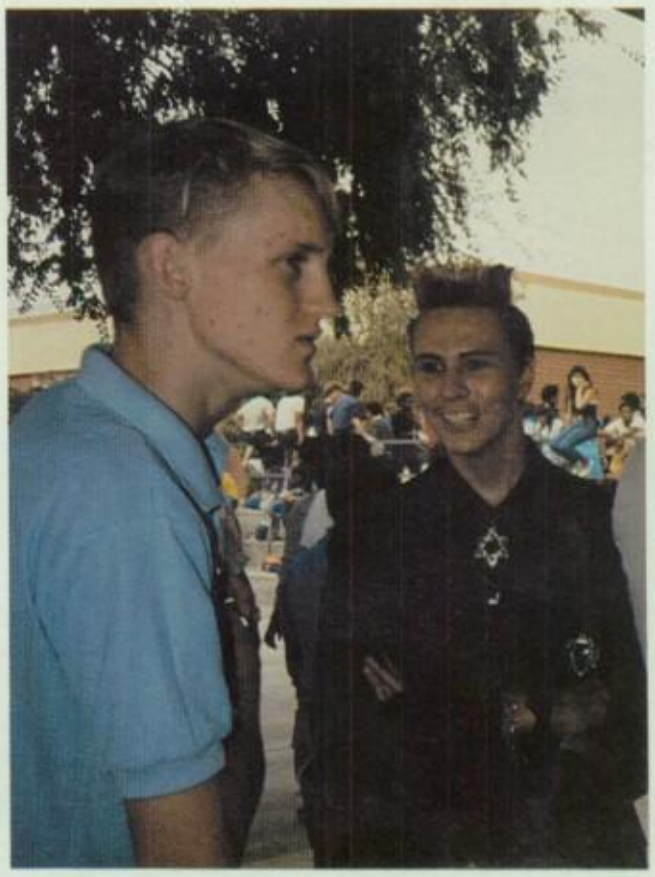
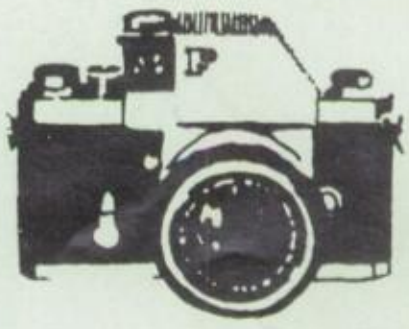
THE FUN . . .





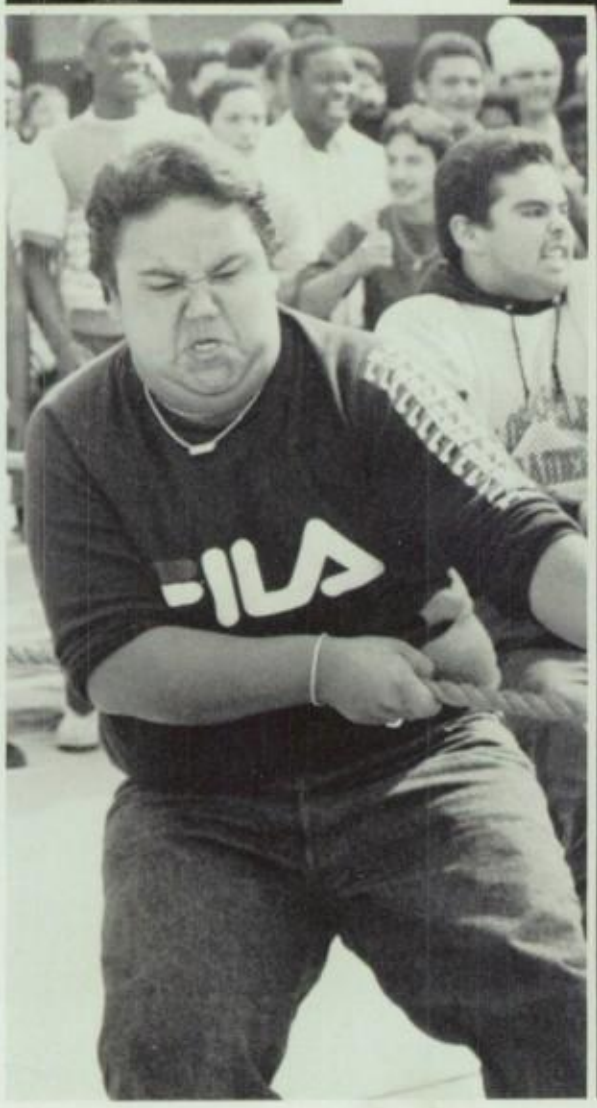
WE ALWAYS . . .





HAD AT

GAREY HIGH!



PRESIDENT'S MESSAGE

"The Senior Life of '86"

I, Robert Rosales, your 85-86 A.S.B. President would like to thank the entire Student Body for your support and encouragement during my years at Garey. I have been involved with Student Council for the past four years. I enjoyed working with the students, teachers, and the baseball organization.

Our athletic teams displayed many interesting outcomes. It took a lot of hard work and pride to keep our sports teams going. Through it all, we managed to add to the Hacienda League Titles. We don't focus on one particular sport, but rather all sports as a great achievement. Any one sport can bring a title.

School activities managed to bring school spirit up. Class competition got students involved and had the classes battling for Number 1. (You did a great job, Luis). We managed to put on our first video dance at Garey which turned out to be very successful. Time went by so fast with Homecoming, Christmas, Multicultural Week, Academic Week, Backwards Week, The Prom, and now Graduation. Without your participation, none of these activities would have been successful.

Special "Thanks" to the following people: Mom and Dad, for all your love and patience, I love you!! Mr. Gonzales, for your encouragement; Ms. Sierra for your support as advisor of the class of '86; Carmen, for the long friendship; Annette, for putting up with me; Francis, for being a special friend; Mr. Rizzi, for schowing me how to be a leader.

To next year's A.S.B. President, I wish you much luck, and to the class of '86, "WE'RE IN THE MIX."

Thank you!

"CHERISH THE ONES"

On October 24, 1985, former King, Hector Garcia, crowned the new king, Francis Castaneda. This took place during the rally where the male court was escorted by the female court. The princes were Ronald Aguilera, Jerry Alaniz, Foster O'Quin and Kevin Sumling.

Later that evening at the Football Game Monica Olmos crowned Queen Rita Vargas. The princesses were Monica Calderon, Naomi Nowden, Jennifer Scott, and La-Tearsa Denise Wilkins. After the halftime entertainment was over, King Francis and Queen Rita left the football field in a hot air balloon.

This year's Homecoming Dance was a huge success. Pro-Productions was the D.J. A screen was featured with videos of the students dancing and class competition.

As the D.J. played this year's theme song, "You Are My Lady" by Freddie Jackson, the court joined the King & Queen as they all danced with joy.

This year's football team obviously did not play up to its full potential. After the season was over, our team ended with a 2-8 record.

There are quite a few reasons why our Season ended the way it did. The inexperience, injuries and the players that I expected to play on the team, moved to other schools.

The are no guarantees in athletics, except that, as is true in much of life, you get out of it only what you put into it. Even then you may fall short of achieving what you set out to accomplish.

CROSS COUNTRY

In three years the cross country varsity team has lost three meets for a record of 21 wins and 3 losses. This year the cross country won the dual meet championship for the second time in three years. Hector Panduro, Alex Ramirez, Robert Jara, Ralph Ramirez, Al Haymond, Martin Nunez, and Ramon Rodriquez led the team.

The Junior Varsity team finished first in the dual meets and was co-champion with Diamond Bar. Rudy Venegas led all the JV's with seven first places.

The girl's varsity team finished fourth in the league. They were led by Martha Contreras.

Coach Ramirez has many praises for his runners.

THAT'S SHOW BIZ!..

PARK

THE

During the '85 - '86 season the Drama Club was involved with many varied activities. First and foremost of course, the Theatrical Productions. The first show, which opened in October was the tense mystery-comedy "The Spiral Staircase." This was followed by the traditional "Haunted House" on Halloween.

In December they presented Neil Simon's "Barefoot in the Park" a hilarious comedy, and in February they performed several scenes at the State Thespian Conference. The Drama Club also had a mime-improvisation Troupe that performed all over the city.

In May they followed with "Skin of Our Teeth" their most bizzare play to date. The season was concluded with the annual banquet honoring its best performers and indoctrinating the new Thespians. The Drama Club was also involved in the school Carnivals, as well as several fund drives for Charities. All in all - a great season.

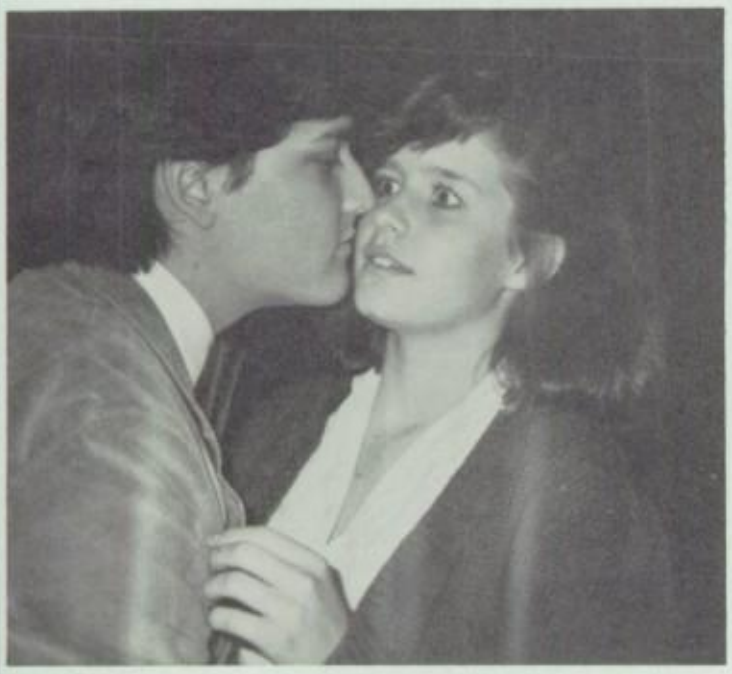
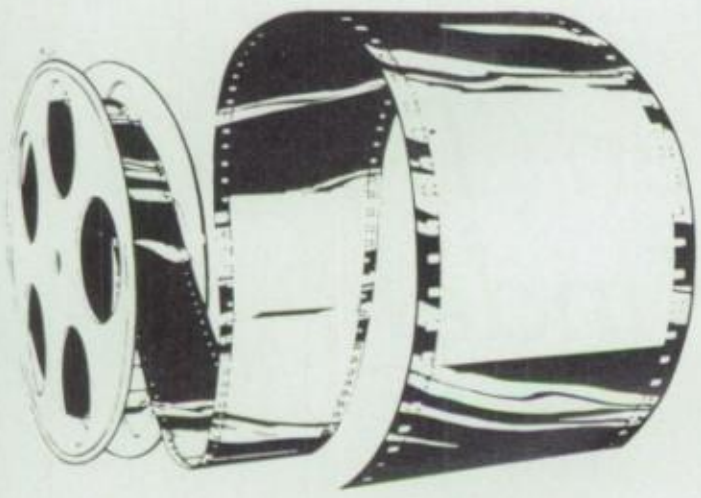
CONFERENCE



The Drama Conference put on by the state went over quite well this year with John McLellan receiving a $12,000 Scholarship to the San Diego University. Other members of the Drama Department included Jamie Unciano, Tim Welcker, Josette Green, Ted Hobart and Janel Neighbours.



We regret that the cast photo and action shots for "The Skin of our Teeth" were not available.

CHRISTMAS COURT

The 1986 Christmas Court was introduced during the Christmas Rally. Later, during the dance, Princess Tracy Kindel was crowned Queen. She and her escort danced and the rest of the princesses joined her in the Coronation Dance. The music was provided by Pro Productions. This year's theme was Winter Wonderland. The theme song was "If Only For One Night."

EDITOR'S FAREWELL

The time is here Seniors, *Graduation!* I must say, it wasn't that easy, but with the help I've received from my parents, teachers and counselors, I've made it.

My special thanks to Mr. Jessop, Mr. Sandhu, even though he's at Ganesha now, Mr. Echeverri, Mrs. Luis, my newspaper advisor, Ms. Ross, Mr. Poulous, Mr. Rizzi, Mr. Fischbach and Mrs. Yarbourgh for all their help and understanding.

Special thanks to Mrs. Priebe, our yearbook advisor, for without her, Garey wouldn't have a yearbook this year.

This year was special for the yearbook class. We started with a new advisor and staff, with the exception of three students. With a lot of work, frustration and staying after school, we made it through successfully.

I wish to thank our assistant editor, Angelique Rivera, who was the greatest help to me with this yearbook. A special thanks goes to Richard Marquez, Beatriz Gonzalez and the rest of the yearbook staff.

Good luck to the Class of "86."

Leah Jones

Assistant Editor:

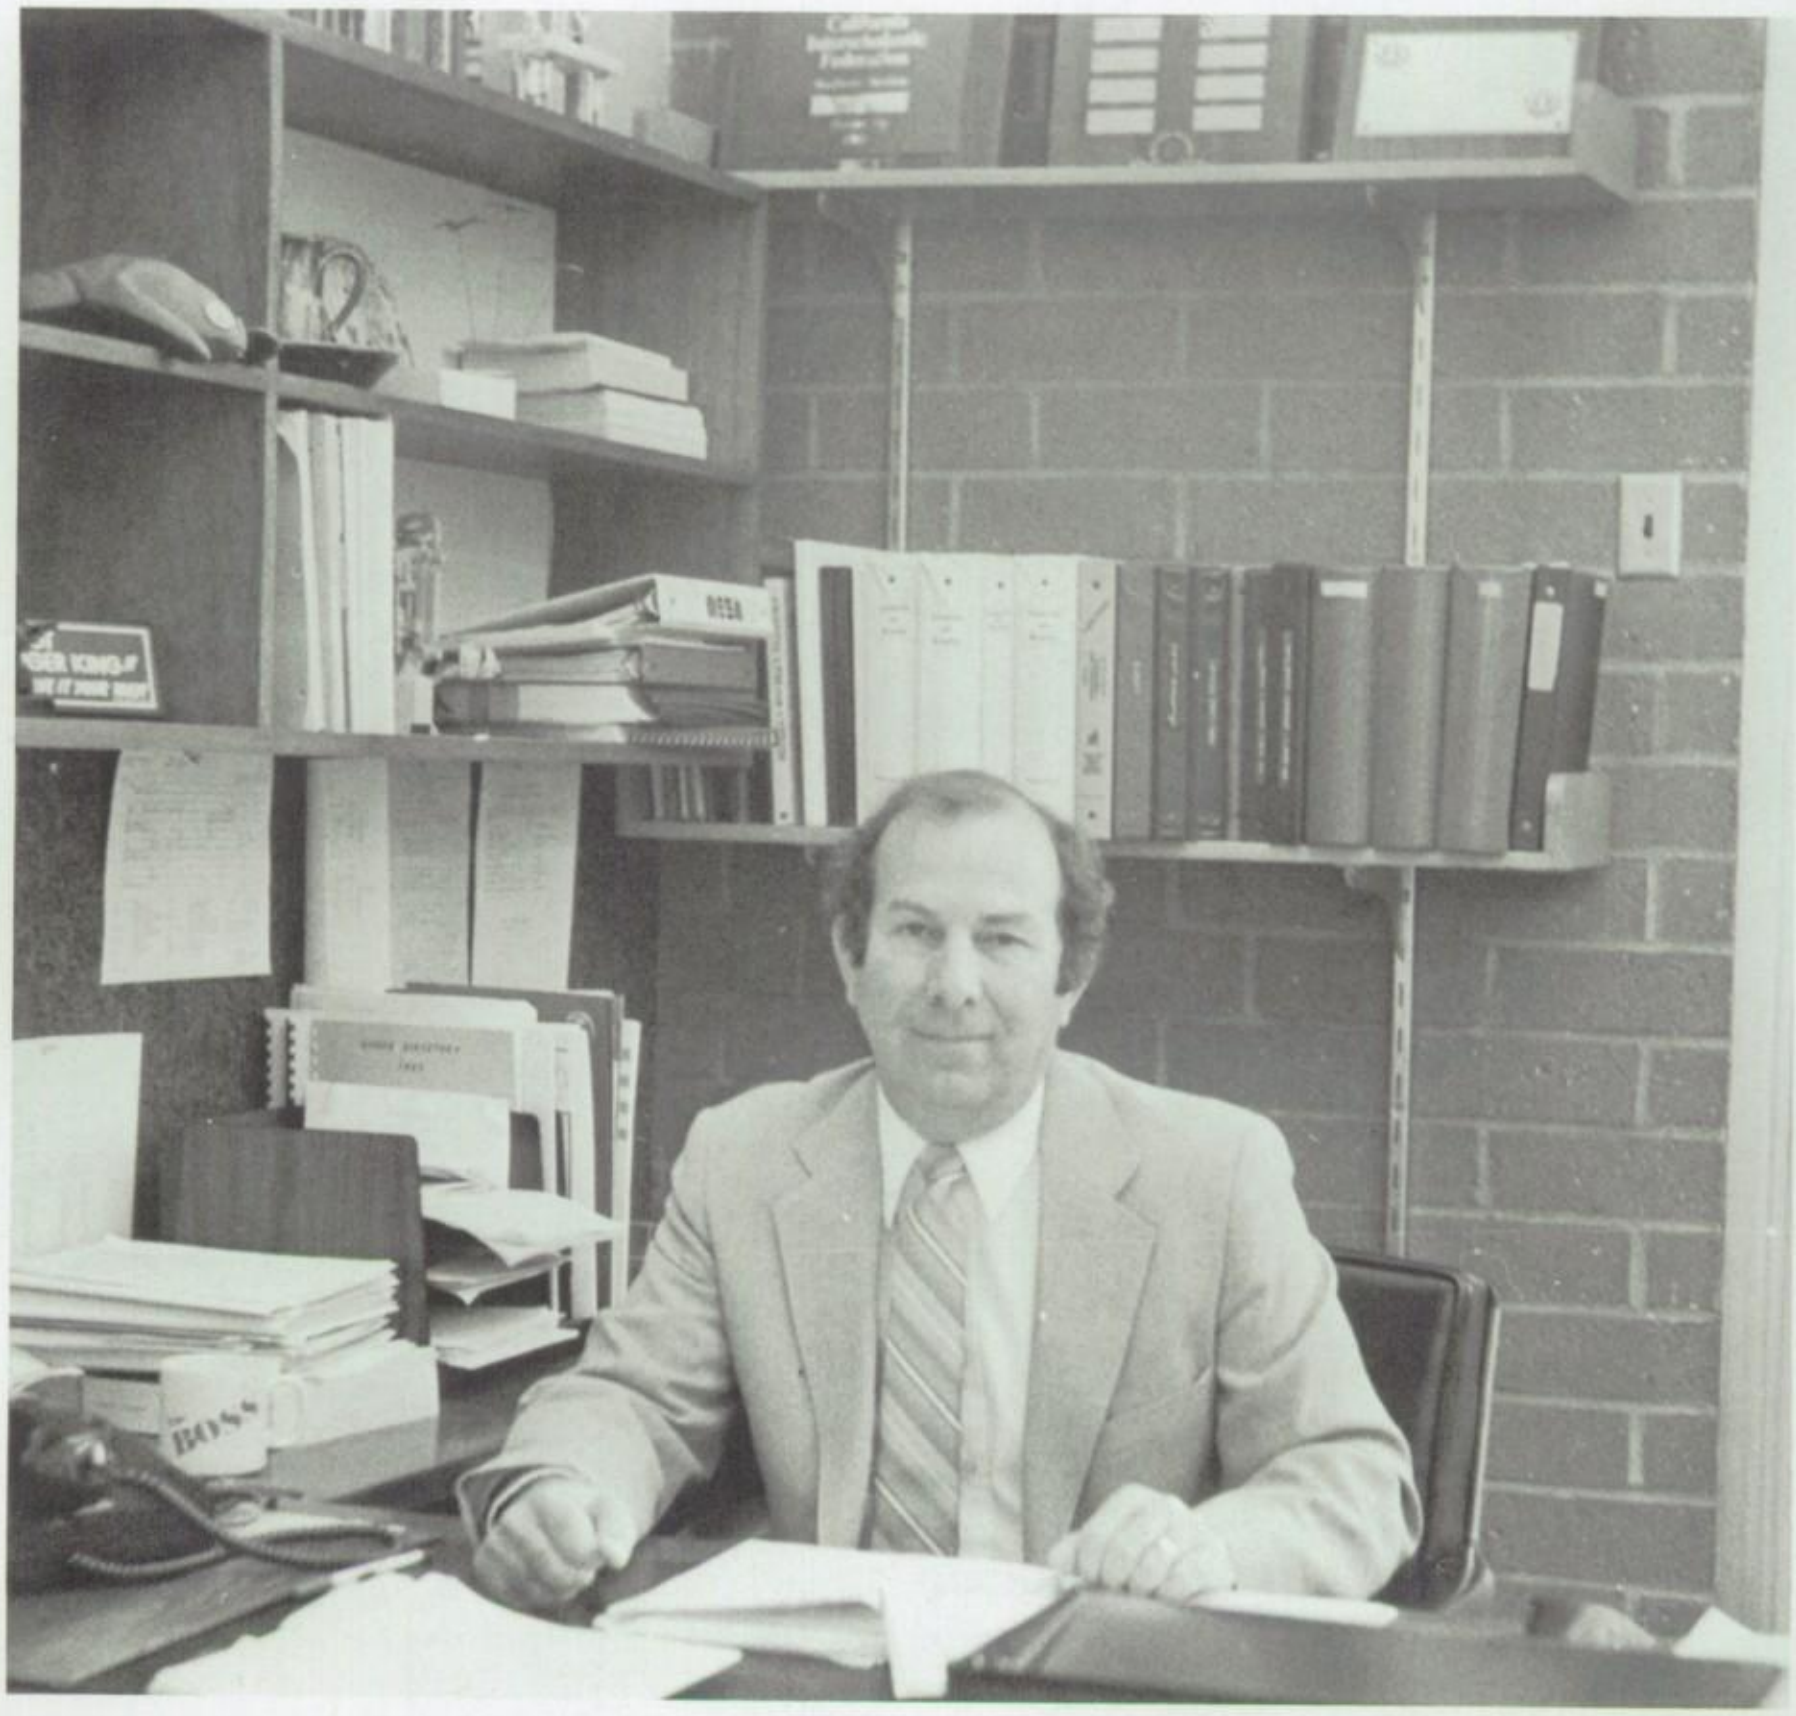
PRINCIPAL'S MESSAGE



Excited cheering in the Gym; the strong smell of chemicals in the Science Lab; the image of your favorite teacher delivering a dramatic statement during a lecture - all form memories that will stay with you long after you leave Garey High.

The high school experience should be a positive and good time in your life - a time of accomplishments - a time of fun - a time of friendships - of pride and worth - and a time of hope for the future.

In the coming years, as you again look through these pages, I hope that those memories return and are all good.

IN MEMORIAM

On September 21 of 1985, on a Saturday evening, John Ly was shot and critically injured, later to die the next week.

John was born in Vietnam and moved to Pomona in 1979. He was a good student with great attendance. His teachers commented on his friendliness and his humor. He enjoyed playing soccer and basketball. He loved his friends, but he sometimes felt lonely.

The faculty and students here at Garey will remember and miss John.

Michael Smith 1945-1986

Christa McAuliffe 1948-1986

On January 28, 1986 at 11:39 A.M., the Challenger space shuttle erupted into a fiery ball. Seven astronauts, including Christa McAuliffe, first teacher in space, vanished as though they never existed.

What was to be a routine launching came to an abrupt end only 73 seconds after take-off. The entire country watched as the Challenger exploded, taking the lives of Ellison Onizuka, Ronald McNair, Francis Scobee, Michael Smith, Judy Resnik, Gregory Jarvis and Christa McAuliffe.

As our dreams Shattered, Tears of pain and disbelief streamed down our faces. Nothing could comfort what we as a nation grieved for — the passing of seven heroes. (pictures Courtesy of TIME and U.S. NEWS)

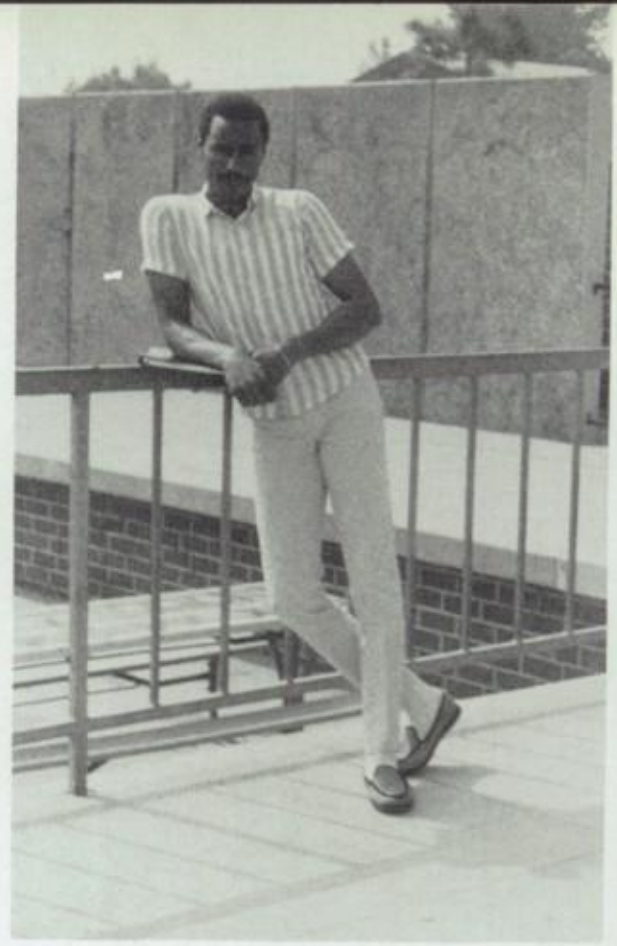
Party people jam during lunch

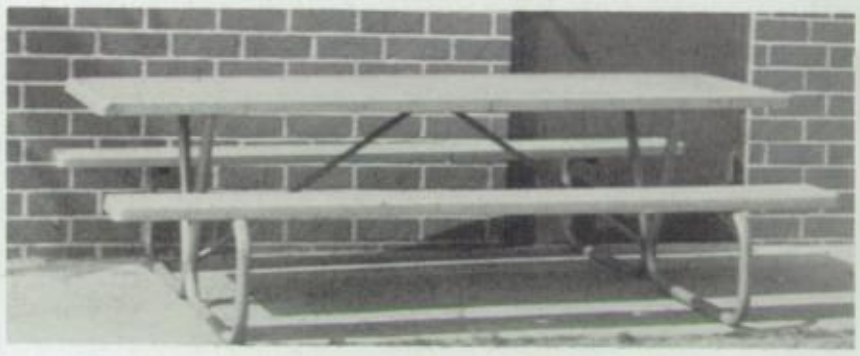


Ditching 4th period!

There are 35 people in her

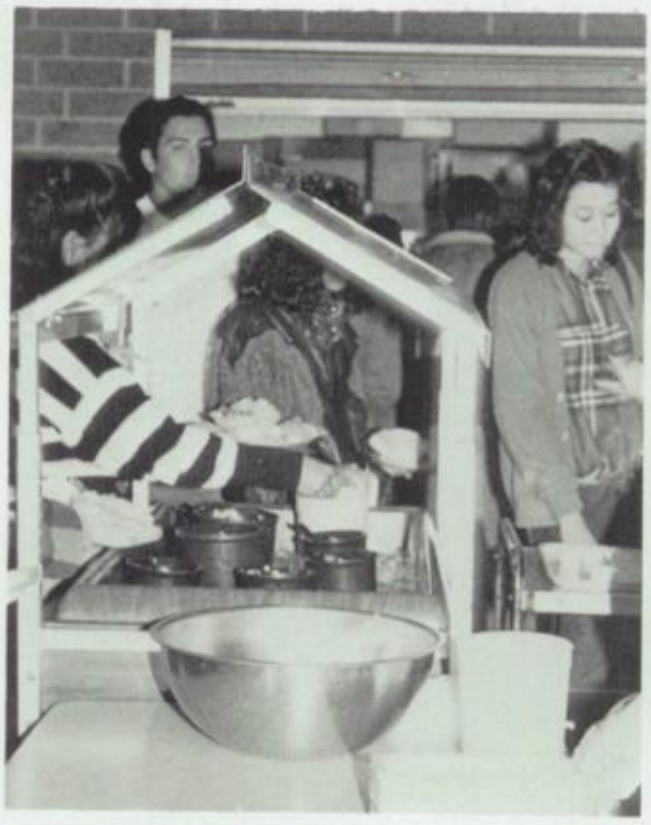
A lillipop for Mr. "T".

Back Surgery??



It must be Saturday.

I've been here four years already!



Lunch today: Mashed meatloaf sherbet. "Yum, Yum".

Beth Rosser: Whoops! Late for deadline.

Dear Karen,
Well I decided to sign this year book cause it kindof looked sad empty. You're a pretty nice sister... I guess. J/k I mean yes we had our ups & downs but when you think about how we use to take care of each other at Mcott it's kind of sweet. Oh well. Sorry for writing 2 yrs late tho. Now I'm at Carey at you. It's not that bad I guess. I'm glad I met Jon.

Love,
Jennifer
